Dear parents/guardians

PARKING/TRAFFIC RULES ON SCHOOL PREMISES

It is the Schools priority to ensure the safety of our learners and staff. The School already started the process of enforcing stricter control measures on our School grounds during last year.

We request our parents, visitors and learners' cooperation in respect of the following arrangements:

- Do not get out of your car (unless you parked properly).
- Put down your cell phone. Don't get distracted by having conversations via your Bluetooth.
- Don't double park, or stop in front of the small gate, inside the Parking Area.
- Don't cut the line by overtaking; it causes a dangerous situation at the gate.
- Follow the arrows at all times. Do not reverse or make U-turns.
- Follow the Security Guard's instructions to keep everybody safe.
- Move swiftly, otherwise traffic is blocked.
- The rules of the car drop-off line apply to everybody equally.
- No person, without a valid vehicle licence, will be allowed on the School grounds.
- Parents and guardians of minors are fully responsible for their behaviour and safety.

The main gate will be closed at 07h30. Parents will not be allowed to enter the Schools' premises after 07h30 to drop of their child/children, and will have to park outside. Learners gain access to the Schools' premises via the small gate.

Thanking you in advance for your co-operation.

Yours in Education

Mrs S. Kotze
Principal
