Dear parent/guardian

TUCKSHOP PROCEDURES

The tuckshop is there to help parents as well as learners. The tuckshop provides normal condiments:

- Cooldrink;
- Sweets;
- Chips;
- Toasted sandwiches etc.

The purpose of the tuckshop is to provide support for those parents who don't send food to school, for sake of convenience etc.

The procedure is as follows:

Learners can buy from the tuckshop during breaks: 09h40 – 10h00 and 12:00 – 12h20.

During registration period (0-7h30 – 07h40) the form educator takes food orders which is then given to the Tuckshop for preparation. This saves time during break, and it ensures that learners gets their food.

We are finding that the system is being abused, learners are leaving under the ruse of going to the bathroom and then detouring to the tuckshop. This is concerning because academic time and contact time in the classroom is being lost.

AIS will be implementing stricter measures in this regard and no learner may approach the tuckshop out of break times.

We trust you find the above-mentioned in order.

Mr L. S. Rautenbach
Deputy Principal
