A warm welcome to Mr Lobelo who joined Amity as the new CAT and IT educator. He might be a young educator but is fully qualified in his field of specialization and energetic for all the Amitians...

CONGRATULATIONS!

A phenomenal achievement!!

Wael Rahimtola (Grade 8) took part in the District Junior Station Commander Competition at a Church in Kerksondermure, Centurion in June this year where he represented Erasmia SAPS, competing against the top candidates from all the other stations. Wael's hard work, preparation for and dedication to the JSC Program paid off when he was elected as the District Vispol Commander.

This exceptional young man represented Amity at the Provincial Round of the SAPS Junior Station Commander Program at the Witwatersrand university this past Friday (21 July 2023), where he was awarded the title: Provincial Project Planning Commissioner.

The topic for the competition is: "Learners in Gauteng have been facing a variety of social issues including bullying, robbery and theft, murder, substance abuse, etc. What solutions or preventative measures can be put into place to resolve these issues?"

We are exceedingly proud of Wael for representing his family, community, school, district and province!

CONDOLENCES

It is with great sadness that the school was informed earlier this morning of the passing of Benny Naidoo – the father to one of our gr 9 learners. You are remembered in our prayers.

Yours in Education
