## HIGHLIGHTS FOR APRIL

### Human Rights day celebration - 5 April 2024

At Amity International School, we celebrated Human Rights Day with great enthusiasm and a deep sense of purpose. Students and staff came together to commemorate this important day by reflecting on the significance of human rights and the ongoing journey towards achieving equality and justice for all. The day was marked with insightful and inspiring speeches from our learners, who shared their perspectives on the importance of human rights and the need for equality and justice in our society

## COLOUR FUN DAY

# FREEDOM DAY

Freedom Day in South Africa, celebrated on April 27th, commemorates the first democratic elections held in 1994, which marked the end of apartheid. This day symbolizes the country's hard-won freedom and serves as a reminder of the progress made towards equality and democracy. Nelson Mandela, a key figure in South Africa's fight against apartheid, famously said, **"For to be free is not merely to cast off one's chains, but to live in a way that respects and enhances the freedom of others."** This quote reflects the spirit of Freedom Day, emphasizing the importance of not only individual freedom but also the collective freedom and dignity of all people
